

# The Underlands Observer

Turn 9

1490–1495 SA

*Uneasy lies the head that wears a crown. (William Shakespeare: Henry IV, Part II)*

**W**elcome all to the first Sahûl Underlands newsletter. I apologise for the delay, but that's the way it goes. The Underlands will become public the moment that one of two things happens: a third Overlands player arrives or an Overlands Realm begins trading with an Underlands Realm. At that point, I will also put all Underlands Realms up for a player. Have fun, and remember campers: let's be careful out there!

---

**ELECTORAL GRAND DUCHY OF GOLMATH (50 W/TA)**  
*His Majesty, Walarri Pirna the Erudite, Prince-Regent of Golmath.*

*His Great Holiness, Mordican II, Hierarch of the Fellowship of Connate Tarotists and Pontiff of the Hidden Lords at Serri.*

*His Excellency, the Volpel Zhogian the Fearless, Baron Volpel and Count of Runazar.*

*Margrave Volpel Tregarion of Ebalon.*

TRADE: None

DP: None

**G**olmath returned. This time, not with raiding parties so much as with armies. They streamed from the ruins of Agdora and quickly reduced Kanaplila to tribute.

**PAMA-ATI & FEDERATED GUILDS (8 Y/-)**

*The Right Honourable Lord Mayor of Pama-Ati and Master of the Federated Guilds, Mani Tunapri.*

TRADE: Yani.

DP: None.

**T**he Federated Guilds Council was in an uproar at the return of the Golmath Overlanders. Recriminations turned to fisticuffs in the Guilds Hall amid calls for the resignation of Guildmaster Nayri. Critics railed against his incompetence in the north, while his partisans lauded his programme of public works.

Finally, though, a no-confidence motion was raised, and Nayri failed 34 to 16.

**UNION OF YANI (6 Y/-)**

*The Right Honourable Provost of Yani and Master of the Union Guilds of the Towns of Yangina, Mani Prupari IV.*

TRADE: Palawani (1), Pama-Ati.

DP: Failed.

**Y**ani troops finally chased the Wenemet raiding party out of Ringina; unfortunately, they've taken residence in the decrepit fortress of Patrulé. Castles and keeps were constructed in Ringina, in case they return.

**COUNTY OF MURALI (13 W/TA)**

*His Excellency, Kilyara Torthes I, Baron of Karrka, Count of Murali, Lord Admiral of the Red.*

TRADE: None.

DP: None.

**T**he Overland Murali find themselves in control of the ancient tumbledown fortress of Patrulé and the entrance it commands. Captain Falvia was frankly happy to escape with her life and a handful of troops.

**PUTINI ALLIANCE (5 Y/-)**

*The Honourable Hereditary Mayor of Putini, Mani Makara.*

TRADE: Palawani (1).

DP: None.

**W**ith the death of the mighty Tamari in 1494, both Palawa and the Caverns of Song renounced their alliance with Putini. Trade with Yani was interrupted, and the new Mayor is none too pleased.

## IMPERIAL STRENGTH INDEX

#	Realm	Player	Forum Name	E-mail	ISI
1	Yani.....				375-2
2	Putini.....				237-3
3	Pama-Ati.....				219-5
